ACTIVITIES

MEETING AGENDA

Each month we have a business meeting and program. Show-and-Tell, held after the program, allows members to show their quilted projects or make relevant announcements.

PROGRAMS

Well-known quilters, guild members, area quilt shop owners, or members of other quilt guilds present topics of interest at guild meetings. The December meeting is our annual silent and live auction.

QUILTING BEES

Approximately twenty small groups get together at least once a month to work on quilting projects.

CHARITY QUILTS

In addition to the social aspect of the VQG, members spend considerable time making quilts for numerous non-profit organizations including, but not limited to, Quilts of Valor, Head Start, and Cooper-Anthony.
